- 22-Jul-2021 Alex is professional, efficient, knowledgeable and empathetic. We had a massive mess of a garden which needed to be cleared urgently at the unexpected end of a tenancy. To be honest I couldn't believe how quickly it got done. Alex has contacts around the area to enable good prices and he also offers helpful advice on various aspects of garden and house maintenance. I believe it when I read on the side of the can that he can help with any job you can't do yourself. Will definitely call on him again if something comes up that we need help with.

- 26-Apr-2021 My moms 8 foot tall fence got blown over in the wind.

	<p>Alex came and did his magic, the garden fence is now just over 5 foot tall letting so much more sunshine in the garden. Using the panels that were already there, the garden has had a beautiful makeover! Work was completed in 2 days. Waste was taken care of. So great full! Highly recommended!</p>
