The service from Chris was amazing. Very professional, courteous and on time. I had to go out and I trusted Chris to work alone in my home. We have had Chris cleaning our oven twice now and I wouldn't have anyone else. The oven looks brand new. Fabulous service thank you.

We have never had an oven cleaned before, but goodness, I doubt we will ever do it again ourselves. Chris did an incredible job with our 10 year old oven and hob ... and it truly does look like new. Really lovely person, too. I have already recommended him to my daughter and DIL. Absolutely 5 stars!

Great, very friendly service. My oven looks like new again. Only non-toxic products used so I could use the oven straight after cleaning. Would highly recommend Great service, oven is like new.
