Courteous and conscientious service throughout, would highly recommend this family run company. Excellent workmanship and felt confident in going out and leaving the fitter to get on. Always left the place clean

31-Oct-2019	and tidy at night. All excellent from start to finish. Punctual, polite and precise with all aspects of work which needed doing.
30-Oct-2019	Jordan fitted a shower and wall boards he was a very hardworker and very understanding of my disability. I would thoroughly recommend his company for any work required.
02-Oct-2019	AJTShowers installed a wet room for my mum and dad who were both struggling to get in and out their bath. The whole experience from start to finish was a first class service, if we was unsure about anything they did not hesitate to help us understand it in full. A team of two young well mannered men, aiden and Alfie took 9 working days to complete the job and in that time they painted the bathroom ceiling for us as well to make sure everything looked superb, I couldn't recommend this company enough and would be happy to use them again when it comes to my bathroom in the near future.
