I had left my keys inside and was locked out and very distressed! Called the number and the locksmith was very kind and reassuring, he advised he was on his way and arrived very soon after. He picked the lock amazingly quickly with no damage at all to the door or the lock! I was so pleased and relieved and what could have been a very stressful situation was made so much easier! So happy to have found such a competent and extremely reasonably priced locksmith, would highly recommend! Thank you Lardner Locksmiths!
