	<p>finish. From a reasonable quote, to the the work done and the quality of finish, they've been fantastic. Every person that worked on our job was friendly, courteous and went out their way to keep us updated on progress. Every request I had was delivered and I was genuinely surprised by just how clean, tidy and efficient they were! They had great reviews to begin with (which is one of the reasons I chose them in the first place) but I can certainly add to that - I would not hesitate to recommend them. 10/10!!</p>
