15-Apr-2019	I had had several roofing contractors out to mend roof before Mr Harmes and he was the only one to thoroughly investigate and solve the situation.
01-Apr-2019	Very happy with the work done, highly recommended.

20-Mar-2019	Ben was punctual, friendly and professional in advising us on repairs and carrying out the work. He completed the work to a very high standard and took the time to

18-Mar-2019	explain everything to us, from the initial problem through to the final solution.
18-Mar-2019	Very high standard of workmanship and customer care. Very pleased with everything Ben has done for me - it was only because I was pleased with the initial visit that he has since come back to do future work. I have made arrangements for him to do further re-pointing and loft work during the coming year. Very responsive to messages and communicative, clear and fair pricing and helpful. I have recommended for other work to friends.
18-Mar-2019	Very good, absolutely no complaints. Work thorough and the site left very tidy.
18-Mar-2019	Brilliant service, great communication and very professional job done.
18-Mar-2019	Excellent service. Very experienced and works to a high standard. Pleasant and trustworthy to have around. Works with others but will easily work on his own. I have managed and maintained properties for over 30 years, and in all that time, I have not come across anyone who can lay roof tiles as quickly as Ben.
18-Mar-2019	Excellent - Ben responded quickly to my initial query and stuck to his quote. the job was completed from quote to completion within a week. He was polite, a hard worker and tidied up at the end of the job...would definitely use again, if needed.
