Pleasant and efficient man. Reliable and trustworthy - I left Liam with a house key to carry out the work which he did on time and to the agreed price, he cleaned and tidied up after himself as he went. He also offered up advice and suggestions as to how to go about things - comments well received! I would certainly look to Liam again for future works.

Liam is professional and reliable. Attends when he says he will be quoting and turns up on time on the agreed date. He is tidy and courteous as well. We have recommended him to friends and neighbours and his van is a regular feature in our road.
