Lee and Max were professional, polite, punctual and kept the area clean and tidy. The work was completed to a very high standard with a lovely finish. Attention was paid to the finer details to do the job properly and achieve an excellent result. We would have no problem in recommending LAPD.

Great experience from start to finish, from first

meeting with Lee to discuss the job, through to execution and completion of it. The guys arrived on time each day and were personable, clean and tidy workers. Standard of work was excellent. Will be discussing our next project with Lee when we're ready to go ahead later in the year. Wouldn't hesitate to recommend.
