| 24-Aug-2021 | Excellent service - if I could give 6 stars I would. Gaz measured the job, gave us a price and a start date. Work was done to an exception standard and completed on time. Not only that but Gaz took all the 'rubbish' away so we didn't have to. Can't believe how quickly and efficiently the work was done. Gaz and James so polite and cheerful. I can't recommend Alpha plumbing any more highly - to quote Tina Turner, 'simply the best!' |

was very knowledgeable and helpful in understanding what was required. He was punctual and very reliable. We would most definitely recommend him.

Alpha plumbing came to give us a quote. They took measurements quickly and listened to what we wanted and provided a competitive estimate by email promptly. We were given an accurate date of when they would be available and they sourced the suite, tiles and fixtures according to our requirements and taste. They removed our old bathroom quickly with minimal mess or disruption to the rest of the house. The bathroom was tiled quickly and the suite was fitted professionally to a very high standard . Gareth was trustworthy, friendly and courteous however got on with the job and we hardly knew he was there. The final cost was as quoted. Excellent work and so glad we chose ALPHA Plumbing
