Comments from consumers who have used this trader

10-Oct-2019	Was very pleased with the standard and work ethic. Came early, worked through and didn't even accept tea or coffee. Very easy to talk about what was required and explain what was essential as one of the house holders was blind.
29-Jul-2019	Great contact, quality of work and timekeeping. Quick response for short notice period
29-Jul-2019	The service that I received was of the highest quality at a very competitive price.

The level of service was extremely high. We had just moved into the house and there were some urgent fixes requires to make the house become watertight, along with some renovation work which the Burton Brothers completed to a high standard. They're very polite, professional and a pleasure to have around. I recommend them to anyone I know needing work.
