The service I received from Dom exceeded my expectations - he was excellent in this role; conscientious, reliable, trustworthy, and fair to me and those he was managing He assisted me in the location, recruitment, contracting and management of the various contractors required to complete the work. All together this was in the region of 20 discrete tradespeople and companies for work which was significant in value.

stages. We were given advice about next steps, choosing a builder and were additionally given advice, from time to time, along the course of the build process.

Excellent support advise and service. Very helpful.

Exceptional. Communicated well, provided advice and support as well as selecting suppliers and obtaining competitive quotes. Highly recommend and have already recommended to friends.
