- 09-Sep-2019 I have used this garage for 8 years having them recommended to me by my family - all my family use them. I'm a single lady and have found that they never talk down to me, treat me with respect and have even changed bulbs for me and just charged me for the bulb, which is lovely of them. They really can't do enough for their customers.
- 09-Sep-2019 I've used the garage for about six years and never had any problems. They've always been good as gold to me and I've referred a few friends to them too.
- 09-Sep-2019 I've used the garage for years and years and you couldn't ask for better. Everyone from Jodie on the front desk to the mechanics. Three, or four of my family have used J&P and everyone is highly delighted
- 09-Sep-2019 Regular customer for the past thirteen years and the garage has looked after me very well over that time.

09-Sep-2019	I've even taken new cars to them after I've bought them for a once over and they've been very helpful. Have used the garage for a number of years and am really happy with their work and service. I've recommended them to family and friends and no complaints.
09-Sep-2019	Have used the garage for the past five years and it's spot on; about the best fitter in the town. Genuine, fair and can't be improved upon.
09-Sep-2019	This garage has looked after my cars for at least the last 14 years. They are very obliging. I'm very happy to recommend them.
09-Sep-2019	Have used the business for years and all my family use them too. I've always found them to be honest, helpful and charge sensible prices.
