18-Mar-2021

PWS are brilliant - easy to deal with and very reliable.

18-Mar-2021

I started using this business when I lived in Plymouth and have kept using them since moving. They have really good communication and customer service. I've used them for skip hire and waste bags. The prices are competitive and I'd say they are the best in Plymouth!

18-Mar-2021

I found the business to be very reliable, reasonably priced and super friendly too

18-Mar-2021

I run my own business and have found Plymouth waste services to be efficient. The way they deal with customers is great, they meet their deadlines and don't let us down

18-Mar-2021

I've had Nick work for me many times in the past and he's a really good guy. The prices are really good value and all their work is carried out efficiently.

18-Mar-2021

I used PWS recently during a house renovation.

18-Mar-2021

They've taken away loads of different waste for me and I think they are great. I recommend them to everyone I used PWS recently during a house renovation.

18-Mar-2021

They've taken away loads of different waste for me and I think they are great. I recommend them to everyone I've used the business several times over the years. I keep going back to them because I've found them fairly priced and reliable. They always help me out when I've needed them
