09-Dec-2019	Fantastic service received, professional not only with me but with my customers. The work quality was excellent & the finish was so impressive that all units were let prior to completion. Suggestions were offered based on their experience which was appreciated. any queries I had were resolved/answered within 24 hours.
09-Dec-2019	Great customer service, booking was easy, arrived on the appointment day and time slot, carried out the job smoothly and efficiently, left the site clean and clear. Great job!
09-Dec-2019	The team at AH Services were attentive, knowledgeable and understood the business model, specifically assessing investment vs cashflow / financial constraints and return. Understood the need for proposing value engineering options and worked with management consultancy for PM works. Would happily

recommend and use again. Have already referred to other principle contractors for sub contract opportunities.
