We would enthusiastically recommend J&D Sash Renovations! Our Victorian sash windows were in a very poor condition and David managed to bring them back to their original glory. He is a real craftsman and the quality of his work is outstanding.

Came across J & D Sash Renovations when searching the web for someone to give my house some T.L.C. I have been very impressed with the work they carried out. David has renovated 7 sash windows for me and did a great job. He was always punctual, took pride in the work he was undertaking, always cleared up thoroughly and made my windows look super. I would definitely recommend them to anyone wanting this type of renovation done. Thank you J & D.

27-Feb-2020	Absolutely brilliant service turned up on time and the work was done to a very high standard. I was very concerned because of my asthma but dust was kept at very low and left my house clean.
