From the start through to the finish, the service and the quality of the work we received from South East Driveways Ltd to make our new driveway was excellent. The expert team are very professional and friendly and very well organised. At the end of each day the area was left clean, neat and tidy. Thank you for doing such a great job, we are very happy with it.

Outstanding service from South east driveways. Originally we wanted the tarmac extended but Jake had some great ideas when he came to quote and after seeing his previous work we decided to opt for the tar and grit option. Overall we are extremely pleased with the quality of work. I would be happy to recommend him and have done so already.
