Right from the beginning we had good vibes about Adam. So, when it came to the final day we could only reflect on how lucky we were to have found Utopia Landscapes to do our garden. The team were polite, friendly, tidy and hard working. The customer service was second to none, by far the most positive experience of trades we've ever had. If you want professionalism, high quality work, knowledge and attention to detail, then look no further. Thank you Adam and Team for your support and creating a bespoke garden, which we absolutely love. Vicky and Stu xxx

Adam was the most professional and conscientious person I have had the pleasure to deal with for many years. His work was exceptional as was his attention to detail. He really cared about the service he was providing. He and his colleagues were respectful at all times and left my property absolutely immaculate.

20-Aug-2020	I was more than pleased with the service I received, very honest. I was charged less than first quoted as Adam didn't need to use as much top soil. I would highly recommend Utopian landscapes.
