Comments: Reliable Professionals
Heatwave Plumbing and Heating Services Ltd are a growing company with 20 years experience. Our team are friendly, honest, reliable, clean and tidy. Quick to respond and efficient with easy to understand quotes. We endeavour to stay and the forefront of the industries best practice and we are proud of our workmanship and knowledge.

Customer Satisfaction Guaranteed
No matter the size of your project both residential and commercial clients we can offer a variety of money-saving solutions. We combine our use of the highest quality parts and equipment, and our dedication to delivering exceptional work that exceeds your expectations.

Individualised Plumbing Options
We endeavour to exceed expectations by ensuring that all plumbing work is completed to the highest standards. We will provide you with a free consultation to explain all of your available options so that you can choose the scope or work that's right for your home or business.

Additional Services
We also have a works division that deliver small works projects and have been carefully selected by Heatwave to work within the company these include; carpenters, electricians, plasters, tilers and painters. As our company offers a diverse range of services so our customers can rest assured that we will be there to assist them long after their small work projects have been completed. We are also proud to work closely with Aylesbury College and are part of their apprenticeship scheme.

Comments from consumers who have used this trader
22-Jun-2020 Very good.
22-Jun-2020 Punctual, efficient and fairly priced. Very tidy.

22-Jun-2020

Excellent service. Polite and helpful. Responded very quickly to texts and resolved our issues promptly. Everything left clean and tidy.

22-Jun-2020

They were extremely professional. They were prompt. They wore mask and gloves as we were in isolation during covid.

22-Jun-2020

Brilliant, very personable and thinks outside the box (i.e. came up with better solutions than suggested by my builder who is also really good), worked in the background with minimal disruption and kept me informed about what needed doing.
