Excellent service from the fitters who attended our property- Chris & Alex. They worked hard to a high standard and left the areas they worked in very tidy. We had a new boiler installed, a new main bedroom radiator and a new cast iron radiator in the hallway- essentially the gentlemen who attended were faultless.

15-Oct-2020	<p>The only reason we haven't rated them higher is nothing to do with them, however someone from their office was supposed to attend the same day to quote for a new bathroom installation, no one showed and we as yet haven't even had a courtesy call to apologise. 10/10 for Chris & Alex, Plymouth Property Maintenance only let down by the customer service from the office.</p> <p>Very professional company from start to finish. Helped us work through the finance options for our new boiler. Ben who we dealt with initially was very quick to come back to us and to answer any queries we had and helped us pick the boiler suitable for our property. We spoke with Ben on Monday morning and had our new boiler fitted by Wednesday lunch time. Chris who fitted the boiler was timely, professional and went through everything with us. Would recommend to anyone</p>
10-Aug-2020	<p>courteous, reliable, trustworthy, friendly, great team work; not the cheapest but excellent work. They clean up after themselves and respect our property</p>
17-Jun-2020	<p>The wooden gate which Alex built and fitted was just what we've been looking for to finish off the back garden. With a strong bolt that gives more security and a great looking gate. Cheers Alex.</p>
06-Jun-2020	<p>The tradesmen were on time, worked diligently throughout the day. Their demeanour was very pleasant and showed customer respect at all times. The fence too is quality craftsmanship. All remaining products were cleared from the garden at the end of the day. In this difficult time of social distancing the tradesmen showed good knowledge of their social boundaries. Highly recommend this company and will most certainly use them again.</p>
