| 18-Sep-2020 | The service from the company was excellent, with direct contact, from Barry Lowe. The staff came on time in the morning, and were tidy at all times. Have had other work done, during the last 5 years, and have been well satisfied. |

Very good indeed . All the way from initial assessment and design , demolition in the worst November weather ever to fine tuning to fit the exact purpose of why we needed the extra large garage. Barry's team were very polite , efficient and cleared up after themselves. Any issues were soon resolved. The quality of the work was excellent. Any contractor also met the high standards required form Barry . The bricklayer was extremely thorough and skilled. Our house looks great and the cars are happy in the garage and my husband can work on them easily.
