My boiler stopped operating due to a broken part. As an existing customer, I contacted Gary who made arrangements to come round the next day and fixed the boiler as soon as the part was in stock.

05-May-2021

Gary always provides an excellent service and he can be trusted to give competitive quotes without hidden extras added on. I highly recommend GN Heating.

Gary and his team did a great job on keeping our old boiler running. They also went the extra step to recover a lost telephone down the back of a rad. Would definitely use again.

We were aware of a problem with our 12 year old comi boiler regarding drop in pressure when we asked Gary to service it. He quickly identified what was causing it & gave us various options. We decided to have a new boiler & so pleased we did. Will certainly use again for any plumbing or gas fitting work. He & his assistant

25-Sep-2020	were very courteous & professional. GN Heating - highly recommended. Gary was punctual, friendly and knowledgeable with boiler and thermostat for service.
24-Sep-2020	Quick, clean, no fuss and no disruption to the house. Gary is polite and talked us through what he was doing whilst doing it. Very competitive price. Very happy.
11-Sep-2020	A really speedy response to call for repairs to combi boiler. Gary went out of his way to fix the boiler. It was done in very good time and I was given full details of what had been needed to repair it. Pricing was very reasonable and excellent value for money. I will definitely use again for servicing and repairs.
08-Sep-2020	Gary came and serviced boiler and sorted out water pressure and demonstrated how to adjust it. Also fitted a radio controlled thermostat and timer. I found him polite and efficient, and very fair in price. Would happily recommend him.
04-Sep-2020	Excellent service, professional and friendly, fixed our problem quickly and efficiently. Was covid aware wearing a mask the whole time which was important for us as we are highly vulnerable and shielding and worried about letting someone in the house but felt confident letting Gary in. Would highly recommend this company.
03-Sep-2020	Excellent work by Gary who was very transparent with both the work required and the price for each part.
03-Sep-2020	Extremely pleased with the thorough service that my boiler had. Also the engineer pointed out a safety issue regarding inspection hatch
03-Sep-2020	The service was excellent and undertaken by people you felt you could trust. The engineer was very knowledgeable and friendly.
03-Sep-2020	The service was excellent, friendly and professional. The call out for no hot water was extremely quick.
03-Sep-2020	Excellent customer service, efficient, accurate and very personable. The work undertaken was done in a very professional manner, high standard of work as overall very very satisfied.
