Very quick and professional service. Lesley provided invoices promptly, acknowledged receipts and emails and kept us informed about how the work was going. When we contacted her later about a problem with our garden gate that wasn't dealt with properly the first time, she made sure to come back and fix it. She takes pride in the service she offers, which is rare to see nowadays .

Excellent. They were aware of H&S, tidy and very hard working.

Excellent from start to finish - even to a call back a few weeks later to check all was well.
