Comments: Based in Kingswinford town centre, we're an independent family run business. We've been installing and repairing security alarm systems since 1979. We look after thousands of customers throughout the West Midlands, our policy is to provide the highest standard of service and create long-term relationships with our customers; an extraordinary number of referrals from existing customers is clear evidence of this. When you entrust Abbott's with your Security you don't become a number in a faceless organisation.
