The team worked well. Everyone was very polite. As a widow, I had not had to deal with this type of thing before. They made me feel comfortable and I was at ease with all aspects of the job.

The Service we received from Montana Fencing and Trees was excellent. From the initial contact to completion of the work. We were contacted every step of the way. The work was first class and site was cleared and left tidy. Andres and his Team treated us in a friendly, courteous and respectful manner.

Service was excellent with time given for discussion and advice, but no pressure, time or otherwise.
