Jeff was amazing, he fitted new locks to three doors and then patiently explained to an elderly relative how to use them. The work was carried out expertly and swiftly. The price was very reasonable and I couldn't recommend him highly enough. Thanks Jeff.

I was extremely pleased with the competence and level of skill of the work carried out. Prices were quoted in advance and adhered to. The locksmith arrived on time, was very polite and didn't waste time. The job was done neatly and he cleaned up after the job was complete. After his first job I was very happy to use him a second time.

I emailed Jeff about the work we wanted done, he

called in and checked on a few items before providing a quotation that we accepted. He placed the order for the parts and turned up at the specified time and did the work. We are very happy with what he did.
