26-Mar-2021	<p>A big thank you to Matt and Adam for their support and help to replace a kitchen tap, a broken shower head, reseal areas of the bath and sinks. Also checking for no further leaks and unblocking drains. This customer was elderly and unsure if what had to be done. Matt was very patient and explained everything clearly and in their time. Thank you so much, you cannot put a price on politeness and patience and as someone who was recommending them for another it was very much appreciated.</p>

18-Mar-2021	<p>I have had numerous jobs completed by Matt and Adam over the last couple of years including boiler services, replacement radiators and most recently a toilet upgrade. They are prompt in their responses to queries via Facebook, Matt goes above & beyond to fit in any work that I've asked him to complete. They always arrive on time, in a friendly & professional manner and most importantly, tidy up when they're finished</p>
18-Mar-2021	<p>Matt has been working for us since he started his business. Matt's local and always looks after us for routine servicing and emergencies. When we had an emergency he dropped everything to help. He's shown himself to be very proactive and clearly wants to deliver a top service.</p>
