Comments: Here at LittlePod, we have provided high-quality ingredients to home cooks, professional chefs and food manufacturers since 2010. Nestled amongst the beautiful rolling hills of East Devon, we are here to tell the story of real vanilla.

LittlePod's responsibly-sourced product range includes our innovative easy-to-use natural vanilla paste, our organic vanilla pods, as well as our extracts of vanilla, coffee and chocolate. These ingredients not only support each other in the rainforest but are also perfect flavour partners in the kitchen.

During the last decade, LittlePod has earned international renown for its commitment to Quality, innovation, education and sustainability, winning The Queen's Award for Enterprise (Sustainable Development). Our most recent accomplishment was gaining the prestigious 'Made in Devon' kitemark, certified by Trading Standards as part of the 'buy with confidence' national scheme.
