06-Jul-2023

From the moment we engaged with Gorilla, we have found them to be incredibly efficient from start to finish: arriving on time to quote for the work, following up with all administration and then the completion of the job. What a great team, they are all so personable and professional and have provided excellent service. A tree and a 45ft hedge were removed and replaced with a fence, all in 2 days. The team worked tirelessly and cleaned up as they went along, ensuring the garden looked smart and all debris removed before

02-Feb-2023	<p>they left. Thanks to the whole crew. We would definitely use you again!</p> <p>Brett and his team have been nothing but helpful & friendly, they have always been on hand to offer solutions to problems that arise especially when working with a tight budget. They have always been reliable and turn up when they say they will, and we have always been happy with the work that they do. They have turned some very neglected gardens back into beautiful gardens.</p>

02-Feb-2023	<p>We were delighted how quickly the two workers came. They were polite and proficient and pointed out roof tiles were in the gutter so we needed to have this checked out. They made sure they left the property with no mess. I got their information through a local community newspaper.</p>
02-Feb-2023	<p>Good customer service and follow up. Excellent face to face discussions regarding work to be completed and efficient use of time. Effective use of video footage of garden area to be worked on to enable clear quotation for work.</p>
02-Feb-2023	<p>Total professionals in every aspect of their work. Brett and his team go above and beyond, extremely helpful and very pleasant. I would 100% recommend this company.</p>
02-Feb-2023	<p>This company are extremely professional in their approach. They did a thorough investigation of the work needed and the level of service was second to none. I was more than satisfied with the end result and would certainly recommend Gorilla Grounds and Gardens to anyone looking for work to be carried out.</p>
