The guys were prompt and got on with the job. Very friendly and kept everything tidy as they could. I was more than happy with them and the results. I would certainly recommend them .

Jack was punctual, efficient and meticulously clean in his work. Easy going and excellent at providing solutions for any problems that occurred. No hesitation in recommending him as he did a first class job.

I recently had a complete cloakroom re-design and instillation. I am a returning customer after having my bathroom refitted in 2022. All of the work was carried out to the highest standard on both jobs, I couldn't be happier with the result. I would highly recommend Jack to anyone.

Replace 8 tiles by the bath. All very good. A simple job done well.

An upgraded en-suite into a wet room & an upgraded bathroom. Work was done during September 2022.

16-Feb-2023	Great service, cleanliness & professionalism. Complete refurbishment of downstairs cloakroom April 2022 and en-suite shower room June 2022. Excellent, friendly, helpful and professional.
16-Feb-2023	Replacement power shower. The service was excellent, from the moment I made the call, Jack arrived on time and gave me a quote within 24hrs. We agreed a timeframe and even though the installation took an hour longer than specified as the shower unit had to be calibrated (it was meant to be pre-calibrated) the original quote was stuck too.
16-Feb-2023	New bathroom installed in December 2022. Absolutely brilliant very efficiently done with a superb finish couldn't be happier and have asked them to do more work.
