Comments: Nailchemy is a family-owned and operated professional nail product brand founded in September 2017. Based in the beautiful UK county of Somerset, we offer a variety of high-quality nail products with a magical theme and unmatched customer service.

At Nailchemy, we believe in providing our customers with a personal touch and being a part of their professional journey. That's why we offer professional accredited education with additional support through live instructional social media videos, sharing tips and tricks with nail art techniques to help our customers get the most out of our products.

With a unique approach to the nail industry and a commitment to excellence, Nailchemy is the perfect choice for professional nail technicians looking for top-quality products and unparalleled support. Join us and elevate your nail game with Nailchemy.

your help

From the first interaction the customer service level from nailchemy has been top notch. From personalised packaging and hand written welcome letters to service issues that have been resolved in record time and the level of ongoing support from the brand has been unparalleled. The products have always above standard but the customer service really sets this brand apart from the rest of the industry. Their online support is free from toxicity and their team are always available and ALWAYS helpful.
