Barry painted lounge to dining room and woodwork of stairs. Price quoted was correct. After Barry had painted I had new stair carpet fitted so parts of wood were now unpainted, Barry came back and painted these parts free of charge. Very reliable and tidy.

We used Barry (together with Ian Griffin) recently for all our exterior paintwork, plus a couple of rooms indoors. He is professional, friendly, conscientious, trustworthy, and extremely good at what he does. The attention to detail, thoroughness of the preparation, and up-to-date knowledge of paint and related products, is second to none. Not necessarily the cheapest, or the quickest, but if you want the best possible end product, then look no further. We have already arranged to have him back later this year to do the remaining internal rooms.

High quality painting of outside our house. Barry is an extremely careful worker and always checked if he needed to do anything outside of the quote. (No extra charges)
