We have used JPS twice in recent weeks for work on our new build home. Jeff is punctual, friendly, clear and fair in his charges and has produced some really good work. We would recommend him to anyone.

we bought a shed from Shed Direct on sale - was poor quality. One side was upside down. Jeff put that right, reinforced the roof with extra battens & stronger felt. Built a concrete base to put it on. Could not have done it without him. Brilliant job.

Helpful, polite, clean & tidy. Very good.

We will 100% use JPS again. Jeff takes great pride in his work being on time, being honest and works very hard. In two days he didn't even stop once for a break. Jeff was a real joy to have in our home.
