Paul and his team carried out the work which was quite arduous (the felling of two pine trees and a hazelnut tree in our back garden) with great professionalism and with every regard to health and safety measures. We were kept informed every step of the way and the whole job was completed as per schedule. I would not hesitate to recommend this business. Thank you all.

Paul is excellent man, I used him first after an accidental fire killed a rather large sycamore, since then he has supplied me with logs and removed another large sycamore. I wouldn't use anyone else.
