24-Jul-2023

Paul was recommended to me by my financial advisor to assist in putting a will and LPA arrangements in place. This extended to him helping my parents with their own wills and LPA arrangements, so it became quite a family affair! He was brilliant in talking us through sensitive topics clearly and precisely. Location isn't an issue as it can all be done via Zoom, email and letter, even though he kindly visited us at home to do the final signing of documents. He made some really helpful recommendations along the way and we never felt pressured into using his services or doing anything we didn't feel comfortable with. His service and professionalism is first class and we would absolutely recommend him without hesitation. Thank you Paul.
