A friend recommended W.McMillan to me and I am so glad they did. Yvonne was really prompt to come out to quote for the job and then the estimate followed straight away. The work was completed to the timescale advised and looked great. The work involved my hallway, lounge, stairs and landing. I would definitely use them again as not only do they do a great job, tidy up after themselves but they are really lovely people too!

30-Apr-2018	W. McMillan were recommended to us and we found their service excellent. 30-Apr-2018	Excellent.
16-Apr-2018	We had read the reviews on this trader on this site. We want others to know our experience did not match previous feedback. We are now making good poor workmanship. There was a failure to carry out work using reasonable skill and care. Poor quality finish. Subjected to unnecessary commentary on our home. Refused to do what you would expect a good practice painter would do to carry out the specified work. We now doubt that you can "Buy With Confidence" via those registered on this scheme as the traders are not monitored by Trading Standards on a regular basis. W. McMillan Decorators response: 'We are sorry for the breakdown of our working relationship, when we thought we were getting on fine, and then you say you are dissatisfied with our work, which we disagree with. We are proud of our reputation. We refute your criticism about our work and have now come to an amicable agreement.
