Very friendly helpful and explained carefully.

I was expecting high pressure selling but there was none of it. In fact the lady advised us against, something "brilliant".

I would recommend on the basis that things were explained in plain English and I was able to make a decision with no pressure.

24-Jun-2015	Very pleased with the service received.
16-Jun-2015	Sadly the friendliness of their staff was not matched by the quality of the work produced. Errors in paperwork came to us which they should have checked and resolved previously.

11-May-2015	Very professional firm. Where our business was dealt in a very efficient manner but friendly. Where everything was explained to us.
06-May-2015	I would have like to have seen a full list of prices before our appointment as there were too many extras on arrival. However company staff were lovely, friendly and efficient to deal with. I would only recommend to a friend who needs a straightforward will or who is aware of full costs.
06-May-2015	It was an efficient service expertly explained.
27-Apr-2015	Trading Standards approved gave me confidence in using Inheritance Legal, also having 2 members of their staff as speakers, questions could be asked and answered on the spot.

Good service and reasonably priced. Office was in my town so great to be able to speak/see someone.

Biggest plus is their local office.

A good service overall but let down with a couple of administration aspects.

Excellent from start to finish. Thank you.

They were very patient with us.
