David has carried out a variety of work at our house from AGA servicing to kitchen fitting, to structural building work. We have never failed to be impressed by his attention to detail, finish and cost. He is a genuine, honest, hard-working man.

2 bathrooms done. Slightly expensive but good value. Arrived on time, stayed til the job was finished. Did not ask for money up front. On a big job, asked for some part way, which was reasonable - very pleased.

Very professional helpful and considerate. Especially impressed with the care taken regarding the removal of debris from the site at all times. The finished bathroom is a credit to him. Thoroughly nice person - will not hesitate to use him again.
