Chestnut Trees are always fantastic. Did an amazing job pruning our trees and nothing is too much trouble and Dan is always willing to do extra work. Could not recommend them highly enough.

05-Oct-2023

Dan and his team from Chestnut Trees have carried out hedging and tree works in my back garden over the last few years and once again, I am delighted with the quality of the works this year. They worked very hard and everything was carried out as I had requested. The garden was left very clear and tidy and in great condition. The level of communication from Chestnut Trees has been excellent throughout. They provide a very high level of customer service. I highly recommend this company.

13-Jun-2023	Dan did a great job replacing our back garden fence, using high quality materials. He has an eye for detail, listened to what we wanted done, and carried out the work to a high standard. The communications from Chestnut Trees & Fencing were always courteous and helpful. This is the second time they have carried out work for us. Highly recommended.
28-Mar-2023	Thorverton Parish Council has used Chestnut Trees & Fencing for 2 separate tree jobs in the spring of 2023. The service, price, communication and results were excellent. The company was patient with their quotations, relaxed about the systems Council payments need to follow, turned up when they said they would, keeping us informed throughout. Highly recommended. Thank you, Chestnut Trees & Fencing

01-Nov-2022	Dan and his team carried out hedge works in my back garden and did an excellent job. They were very friendly and courteous. Dan had discussed the work with me beforehand and ensured that all the works were carried out just as I had requested. They worked hard and efficiently and continued to do so despite the wet weather conditions. All the cut waste was removed. I am very pleased with the end result. I have used Chestnut Trees a few times now for hedge works and would certainly use them again. I highly recommend this local company for both the works and for the level of customer service that they provide.

23-Jan-2022	<p>We are very pleased with the removal of the three apple trees in the back garden, plus the fir tree and holly tree in the front garden. I must admit I was expecting the lawn where the apple trees were to be churned up, so it was a lovely surprise to see the grass that's there still in good condition. It is hard to imagine there were any apple trees there now, especially as they had been there for well over 50 years. I highly recommend Dan and will be asking him to remove some other trees in the future. Dan left the garden very clean and tidy.</p>
16-Nov-2021	<p>Hardworking and very obliging. Arrived on time and left the garden tidy after a lot of tree work.</p>
