Excellent service. Have been using moorland auto services for years for all our car servicing and troubleshooting needs. Ian takes pride in his work, explains clearly what is required with accurate quotes for parts, etc and follows through with the work in the agreed timescales. Nothing is too much trouble and it is reassuring to find a mechanic that puts the customer first.

Very friendly and reliable local business. Had my car MOT and service and Ian gave me a fixed price which he stuck to and the invoice was clear with everything I had been charged for. He didn't try to convince me to get extra work done like a lot of garages do.
