We had previously used Park Lane Garden Services for some fencing work (which we were pleased with) so asked them for a quote to lay our new patio. Lee provided a date when he would start work, he and his men worked efficiently and coped well with some unexpected things which they found under the old patio. A couple of days of heavy rain slowed the job slightly but Lee rang on those days to explain what was happening. We are very pleased with the work they have done, we now have a nice looking patio which drains properly too.
