Wayne & staff removed a fairly large conifer tree & dug out a 9 meter long trench for a garden wall, which was in clay all done to a good standard and they took away all rubbish. Very reliable and curtious.

18-May-2021

Wayne and his team were very efficient, knew their trees and cleared up thoroughly afterwards

18-May-2021

We had a tree taken down by WTDoe and could not recommend them highly enough for their thorough, professional approach. They explained all of the details ahead of the work and so we were aware of what was to be done and were a pleasure to have working in our home. They couldn't do enough to help with clearing up after themselves and we were very happy with the job! Will be using again in the future for hedge work.
