Very prompt to carry out work, cannot fault.

Excellent in every way.

I called Mr Steer at 1.30pm and said the problem. He was with me by 2.30pm , looked at the problem, went to get the bits, and by 3pm the job was done. That was fantastic.

Excellent service, responsiveness and value for money.

Always helpful & accommodating. Thank you.

I feel very confident with the work Mr Steer has carried out and would be pleased to refer him to friends.

Arrived at time and day arranged, speedily corrected and replaced faulty parts to toilet system. Impressed he had all parts stored in his van. Good Plumber.
