Excellent workmanship. Could not be better

28-Oct-2020

As I didn't want a bath anymore, the refit included taking a wall down, relocating/ installing a big shower unit & sink, replacing the toilet, installing a heated towel rack, tiling the whole bathroom from floor to ceiling & laying new flooring. Barry's attention to detail is amazing & he is excellent at coming up with ideas and solutions to potential problems. It was just nice having things explained as the work was being carried out and checking with me that I was happy as the work proceeded. I cannot praise his workmanship higher enough. My bathroom now looks like one you would expect in a 5 star hotel. I'm super happy.
