26-Apr-2016	I would very highly recommend this business. A local business who catered for my budget, Tracey arrived on time and showed me lots of blinds and different prices. Also wooden poles in various colours. For the amount of materials and work involved, the price was extremely good. Alan arrived and put the blinds and poles up with a keen experienced eye to detail. The work was carried out with no mess, as he hoovered as he drilled. And the end result is excellent, I am very very pleased. Thank you creative curtains.
