I highly rate this company. For the competitive price, reliability and clean and tidy working practices. Also they went above and beyond what was required. They were recommended to me by a friend and I would not hesitate to pass on the recommendation or use them again should the need arise.

Very good.

Polite, clean, cheerful lads. Service very good and cleaned up afterwards, house and outside.

The best of services over many years.

Excellent service, the guys worked really hard, very clean and tidy.

10-May-2016

As usual they turned up on time and as far as we can tell (no heavy rain yet) a good job done. Workmen helpful and polite, no problems on previous jobs, so well done.

Jim Juniper is an honest and straight forward workman who, with his small team, delivers good quality work at reasonable prices. Jim and his team are easy to deal with and deal in a professional way with issues you raise with them. This is the 2nd substantial piece of work Juniper has done for me.

16-Dec-2014

The workmen were cheerful and cleaned up at the end of each day.

16-Dec-2014

I had 3 quotes, Mr Juniper was the only one who got out a ladder! I have used this company before. He solved the problem 3 years ago for £700. Another quote was £7000.

16-Dec-2014

I always use Juniper for any roofing problems. I feel I can trust them to carry out their work professionally and at a fair price.

Excellent service as usual.

From start to finish this firm was organised, pleasant to deal with and executed the work efficiently under very difficult conditions. I would not hesitate to recommend them.

Would not hesitate to employ again - the team cleared rubbish every day too!
