Matt was prompt at the quotation stage, he really listened to what I had said and double checked before starting work. He got on with the four jobs in my garden. He did everything he said he would and charged a fair rate. He was a very pleasant person to do business with. I hope he will come back and do one more job in the summer. I was recommended to me by someone in the Horticultural Society.

Matt Martin is an excellent garden landscaper. He designed & built a large patio in my back garden. His workmanship is excellent. He is helpful, friendly & adaptable & I would & already have recommended him.
