22-Mar-2019	The workmen were friendly, polite and extremely hard working. The work was carried out with as little dust and dirt as they could manage.
24-Jan-2019	Peter and his team have been amazingly helpful throughout our kitchen/diner renovation. From advice on building regs to sourcing elaborate skirting they have been truly amazing. They inserted steels and removed an internal wall, replastered and refitted original features. We are immensely pleased with the finished result and would highly recommend. Such a friendly and helpful team of very skilled individuals.

23-Nov-2018	This company was recommended to me. it was the only company willing to take on a difficult job with very poor access. All staff so courteous and professional. Wonderful completion of project.
06-Nov-2018	Adam from P.J. Rushbridge built a larder for me in my kitchen and I would just like to say how pleased I am with the end result and also how quickly and tidily it was done. The job included building a new stud wall, cutting out part of the ceiling coving to fit and making the shelves. I am thrilled with my new larder and I will certainly be recommending P.J. Rushbridge to everyone.
23-Oct-2018	From estimate to completion of works, from Management to Van Driver, nothing was too much

23-Oct-2018	trouble. Very friendly and reliable. Would use again. Extremely knowledgable & very friendly building firm. Highly Recommend.
27-Apr-2018	Adam Rushbridge has completed a full refit of our family bathroom, ensuite bathroom and cloakroom, over a period of seven weeks. The finished work has been completed to an exceptionally high standard of workmanship, excellent value for money and our complete customer satisfaction. It was well worth waiting for nearly six months to be able to book the time in the work schedule. The entire project was approached methodically, professionally and clearly with great pride in doing things properly, whether the workpiece is fully on show or buried under other materials. The workplace has been cleaned and left neat and tidy every evening throughout the work and the inevitable disruption of working upstairs in the middle of the house has been kept to a minimum. Adam and his team have worked closely with us throughout to ensure maximum satisfaction with every aspect of the work. There has been extensive consultation, with many constructive suggestions and ideas being provided to assist our decisions. We were particularly impressed with the thought and care put into working out optimum tiling layouts. Adam's attention to detail, and the final quality of finish has been superb. We were also very impressed by the approach and quality of workmanship of Simon the electrician, Darren the plasterer and both Jamie and Richard who assisted Adam with the swift and orderly stripping-out of the old bathrooms. We would not hesitate to recommend Adam and the team to others.
13-Mar-2018	Very professional in all aspects. Polite, conscientious, tidy and reliable. Although not the cheapest quote received, they were not the most expensive. The quality of service and work will be remembered long after the price is forgotten.
03-Feb-2018	Professional, knowledgeable, friendly service provided throughout the time our new bathroom was created. Quick response to emails providing good advice. Attention to detail was exceptional and we were consulted at all stages where decisions needed to be made. Would definitely use again.

16-Aug-2016	We found P.J. Rushbridge Builders most helpful from the initial tendering process, through to final completion. All of their operatives carried out their

	<p>work to a high quality in a very professional manner, always keeping us informed of any on site problems, involving us in any of the decision making. Apart from their objectives on site, the job was regularly visited by Mr Rushbridge Snr to ensure that the job was running smoothly and that we were happy. A lot of the work involved working in the existing house whilst we were still in residence, and once they had 'knocked through' into the existing kitchen and dining room their men were most courteous and respectful of our home and carried out these very difficult tasks with no fuss, keeping everything immaculately clean and tidy thanks to Peter, Adam, Red, Jamie and Dean great job, well done. We won't hesitate to recommend you to others.</p>
18-Apr-2016	<p>Top quality work done with very helpful advice. Always left everywhere clean and tidy at the end of the day, I highly recommend them.</p>
27-Mar-2016	<p>Work required total gutting and refurbishment of the bathroom, following a water leak. It included replacement of the bath with a walk-in shower, replacement bathroom units, extensive tiling, decorating throughout and new flooring. Adam Rushbridge initially impressed at the quotation stage when he asked lots of good questions and made helpful suggestions about how to deal with the job. This continued throughout the work and helped enormously to ensure total satisfaction with the end result. He carried out the work in an extremely professional and methodical manner. He was neat, tidy and efficient and showed excellent attention to detail. He also liaised closely and effectively with the suppliers (Grahams Ltd. in Eastbourne). I would have no hesitation in recommending the firm .</p>

11-Dec-2014	We, like many, dread having builders in, due to bad publicity they receive. Peter Rushbridge and his team will restore you faith. 11-Dec-2014	Things we are pleased with: No unnecessary mess was made. Mr Rushbridge kept in touch via email, which was helpful.
10-Dec-2014	All those I have met in this company share the ethos of the company leadership - they are committed to doing a really good job and they are all willing to go the extra mile to provide an excellent and good value service. Unsurprisingly, therefore, they are busy - but so very well worth waiting for. I wouldn't go anyway else.
