Gary responded to my first email promptly and arrived at the time we arranged. He dealt quickly with a wasp nest which was in an inconvenient place for me. Gary was very cheerful, professional and helpful.

Gary was very helpful and professional when I had a wasp nest in my roof. He was very knowledgeable and knew what he was doing. He arrived on time and the job was carried out successfully. Would definitely recommend Gary for any pest control services. Thank you

Cannot express enough how grateful I was for the professional and polite service provided by Gary. Telephoned him @ 9am and with me by 10am problem sourced and sorted by 11am. The bonus was my little Chug Beau loved him, so not too much barking as she would normally do around strangers, she left that for when he went did not want him to go. All in all a stress free comforting experience, providing me additional information on another possible pest problem. Exceptional value for money highly recommend.

I didn't have to employ Gary but I spoke to him on the phone re a couple of pest issues (wasp and garden pest). I was really positively surprised by his honest suggestions which saved us money and actually meant he wasn't out of pocket. He could easily have milked us for a few bob. Very rare to find an honest tradesman these days! Refreshing and we would definitely call him on that basis.
