Very helpful staff, welcoming and informative. Gave various options to help solve our problem. Will definitely return and also recommend to our friends.

I ordered a limited edition Hornby wagon last year from the shop and they reserved this years version for me without me asking so it was all ready for me. Superb service!!!

Such an excellent shop. It is rare to find this sort of specialist shop and the people in it are interested in what they sell. They selected the best value items from the various options that could do the same job.
