The work of making good & painting the exterior of our property was of a high standard and the tradesman was pleasant & courteous we also received good advice.

Christian built a single storey kitchen extension onto our home. From start to finish he was excellent, the quality of his work was top class and he is very customer focussed, updates every day, always does what he says for time he commits to and has a very pleasant manner. We've had him back since to do our fence and will do same again when we come to other work. Highly recommend.
